School Mission and Goals

Washington High School provides an educational environment where caring teachers and involved families foster academic, social, physical and emotional development for all students while preparing them for future opportunities. The school has three major goals: improve student literacy, build strong relationships with students, and increase parental and student involvement.

On Campus Incidents 3

Student safety is a priority at Washington High School. As a result, we dedicate fiscal resources to support a safe campus and maintain a closed campus. The campus is fully fenced and the entry gate is monitored by a staff member. Four full-time administrators are visible on campus and patrol during school hours. Additionally, we were awarded a school safety grant which allowed us to continue our strong partnership with the Phoenix Police Department in the form of a School Resource Officer.
